It's easy to access important information about your SCG natural gas account from the comfort of your own living room. Visit our Web site at [www.soconngas.com](http://www.soconngas.com). Our Web site provides quick access to your bill payment history, provides instructions to sign up for our convenient (and environmentally friendly) e-bill option, shows how to make a one-time payment online, outlines natural gas service turn-on and turn-off procedures, offers information about the many benefits of SCG's popular "no worry" service plans, lists information about applying for energy assistance and SCG's Matching Payment

Plan, provides the locations of no-fee natural gas bill payment sites in the community, and much more.

In addition, the SCG Web site provides links to important weatherization programs that can show how to inexpensively cut fuel use to help families better manage their natural gas bill when the next heating season arrives.

Our Web site also provides direct links to Web sites containing information about the natural gas issues and industry, emerging gas technologies and the environment.

**Operation Fuel, Inc.**

**WE'RE ALL PART OF THE OPERATION.**

**JOIN THE OPERATION!**

Add an extra dollar to your gas bill payment to help a needy working family with their gas bill.

## OUR EMPLOYEES CARRY PHOTO IDENTIFICATION

The Southern Connecticut Gas Company reminds customers that its employees carry an identification card with the distinctive SCG logo on it. If you doubt the validity of someone who comes to your home and claims to be an employee of our company, ask to see their identification card and also inquire about the purpose of their visit. Our customer relations department can verify if someone from our company is working in your area. Call 1-800-659-8299.

## Don't forget to change over your natural gas account when planning a move

If you are planning to move this summer, as many families do once the school year ends, be sure to contact our customer relations department so we can close out your existing natural gas account. If you are moving to another residence with natural gas service in our service area, we'll also help set up your new account. Please call the number below to ensure a smooth account transition.

1-800-659-8299

## IT'S TUNEUP TIME

Summer is the ideal time to have your home's natural gas heating system tuned up and inspected. If you have an SCG Select Comfort Service Plan, there is no cost for this service. The plan tuneup must be completed by September 30, 2010. If you don't have the plan, you can pay as you go at current service rates. SCG also has service plans available for furnaces and boilers, hot water heaters and natural gas piping systems. Call now to schedule your annual furnace tune-up and inspection: 1-800-659-8299
