

**THE SOUTHERN CONNECTICUT GAS COMPANY
GAS TARIFF**

RATE RSH-SE (RESIDENTIAL SERVICE HEATING – SYSTEM EXPANSION)

1. AVAILABILITY:

For all new, on-main and off-main single-family residential customers and all multi-family residential customers where the number of dwelling units is five (5) or less and use natural gas for space heating. This rate applies to any new service attached to the Company's distribution system on or after January 1, 2014. Equal payment plan available on request.

2. DEFINITIONS:

- (a) The term "Company" shall mean Southern Connecticut Gas Company successors, assigns, or divisions thereof.
- (b) The term "Delivery Service" shall mean the physical act of moving natural gas across the Company's distribution system to a Customer's facility.
- (c) The term "Supply Service" is defined as the activities associated with providing of the natural gas supply only.
- (d) The term "off-main" shall mean that the Customer is one, who as of December 31, 2013, requires an addition of a main in the street to connect, and who becomes a company customer on or after January 1, 2014.
- (e) The term "on-main" shall mean that the customer is one, who as of December 31, 2013, has an existing main that is directly in front of the customer's premises, and who becomes a company customer on or after January 1, 2014.
- (f) Customers in this Rate RSH-SE are defined as (1) Residential Customers – single family residential houses; (2) multiple dwelling residential buildings – detached multi-family residences such as a three family home; and (3) group dwelling projects – attached residential dwellings with multiple residences that do not qualify for Rate RMDS such as a condominium with separate metering. In such cases the Customer is deemed "on-main" or "off-main" and has been attached to the Company's distribution system on or after January 1, 2014.
